

## **YOUR VOICE MATTERS! JOIN THE FAMILY ACTION LEARNING TEAM**

Dear Families,

Several months ago, many of you shared your experiences about raising young children in Guilford County. Your feedback has been used to develop a vision for young children in our community.

This is your invitation to be a part of the change by joining a Family Action Learning Team (ALT). The Family ALT will meet each month to:

1. Create strategies for our community to better support families in getting their children ready for kindergarten, and get involved in the action.
2. Connect with other families and learn more about what's offered in Guilford County for families.
3. Connect to resources, skill building, and information that improves families' lives—and that you can share with other families!

**All parents/caregivers with a child under the age of 8 are invited to participate! Bring a friend.**

**WHEN: Monday, April 25<sup>th</sup>, 5:30-7:30 p.m.**

**WHERE: RSVP for details**

**FREE REFRESHMENTS AND CHILD CARE WILL BE PROVIDED.**
