

# Get Involved! (We Can Help)

Implement family-friendly policies and practices based on employee /customer need.

---

Donate new books (or funding) so each newborn receives a book when leaving the hospital.

---

Learn about your team's parenting challenges (via survey/focus group) and how your organization can support them.

---

Share information about how to choose quality early care and education with expecting parents.

---

Share developmentally appropriate activities/tips to help families improve school readiness.

---

Serve as a volunteer "Community Reader" in an early education setting/preschool (encourage others, too).

---

Host an expert to talk about early brain development, how families can support their children, positive discipline tips, and more.

---

Visit a Head Start Center to learn more about high-quality early care.

---

Recruit a team member to serve as your organization's liaison to Ready/Ready.

---

Host a presentation with senior management about the work of Ready/Ready.

---

Sign the pledge at **GetReadyGuilford.org** to be an advocate for young children.
